Mrs. Sybille Schmidt serves as Operations Director for Monterey Technologies, Inc. (MTI) with oversight of the day-to-day activities of the company. Mrs. Schmidt supports the operation and growth of MTI and supervises high-level managers/directors while reporting to the CEO.

On August 1, 2016, Sybille joined MTI as the Executive Assistant in the Park City office. In this role, she provided administrative support and management services to the executive team. Sybille was responsible for the administrative infrastructure of the office, Human Resources and filling multiple other roles. She was a vital part of MTI's relocation from Monterey, CA to Park City, UT. Sybille's exceptional organizational skills as well as her self-learning and self-driven attitude gave her the opportunity to being promoted to Operations Manager in July 2019 before becoming MTI's Operations Director in January 2021.

Sybille started her working career in the legal field, first as a court secretary, advancing to paralegal in various law firms in Germany and Switzerland before working as the legal assistant to the Chief Legal Officer of Swatch Group HQ.

After moving to the US in 2005, Sybille was the Office Manager and Executive Assistant to the President of ETPNA, a swiss family-owned company. As a founding employee and Member of the Board of Directors she implemented the legal structure and established a fully operational US office and warehouse.

One of her accomplishments was taking the Oath on January 14th of 2019 and becoming a US Citizen.
